Vehicle Condition Scale 1 - 6 (See below for Scale)

- | | |
|------------------------|--|
| 1 Excellent | Restored to maximum professional standards of quality in every area, or perfect original with components operating and appearing as new. |
| 2 Fine | Well-restored, or a combination of superior restoration and excellent original, or an extremely well-maintained original showing very minimal wear. |
| 3 Very Good | Completely operable original 'older restoration' showing wear. Also a good amateur restoration, all presentable and serviceable inside and out, plus, combinations of well-done restoration and good operable components or a partially restored vehicle with all parts necessary to complete and/or valuable NOS parts. |
| 4 Good | A driveable vehicle needing no or only minor work to be functional, a deteriorated restoration or a very poor amateur restoration. All components may need restoration to be excellent but the vehicle is mostly useable as is. |
| 5 Restorable | Needs complete restoration of body, chasses and interior, may or may not be running but isn't weathered, wrecked or stripped to the point of being useful only for parts. |
| 6 Parts Car | May or may not be running, is weathered, wrecked and/or stripped to the point of being useful for parts. |
